## All About Weave

The new Roberta Roller Rabbit pop-up in the Brentwood Country Mart may be one of the tinier stores on the block, but the offerings are huge: towering stacks of quilts, kurtas, Indian wedding bangles, beach totes and pillows, all in the same airy Indian cotton—and none of it in matching patterns. 225 26th St., Santa Monica, 310.899.4440.

Call it the ultimate, mixed-up mug shot: Pantone's set of 10 cups, designed by UK's Whitbread Wilkinson, features the company's original, bold-and-beautiful colors. \$128 for the set, at A+R, 1121-1 Abbot Kinney Blvd., Venice, 310.392.9128.

### SPECIAL INTEREST LOBBYING

Hotel as home? It's all in the design at the **Andaz West Hollywood**, where no check-in desk (just handheld tablet devices) means you saunter in, sidle up to metallic leather sofas, and grab a handful of See's Candies. The Janson Goldstein-designed space has a rooftop pool, communal tables and a staff outfitted in unmatching Velvet by Graham & Spencer and Vince duds. Just like home!
